

What's in the Kitchen?

Across

- 3.** You use this to stir sugar into your drink or eat soup.
- 5.** You put your dinner on this round, flat dish.
- 6.** A sharp tool used to cut bread or meat.
- 9.** A machine that keeps your food cold and fresh. (Short for refrigerator).

Down

- 1.** A small container with a handle, perfect for drinking tea or coffee.
- 2.** A deep dish used for serving soup, cereal, or fruit.
- 4.** A large appliance used to bake cakes and roast chicken.
- 5.** A flat, metal container with a long handle used for frying eggs.
- 7.** You use this to pick up and eat noodles or salad.
- 8.** Similar to a cup, but usually larger and used for hot drinks.
