Spelling and Writing

Proofreading

This article has eleven mistakes. Use the proofreading marks to fix each mistake. Then, write the misspelled **list words** correctly on the lines.

Proofreading Marks

-  spelling mistake
-  capital letter
-  add something

how many wild animals are in trouble today There
are enough that we should be concerned. Elefant herds
have been greatly reduced, and a young elephant can
be made an orfan because of ivory hunting. some
animals, like the jirafe, are forced out of their homes by
people looking for places to build and farm. Affter a
large fishing net is hauled in, a dolfin is sometimes
found tangled up in the net along with the fish. when
will people learn to share the Earth with animals

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
