Unit 3: What They Will Think of Next

Interactive Worksheet – Higher Order Thinking Skills

■ Part 1: Reading & Critical Thinking

Read the text below, then answer the questions.

Technology connects people across the world. It saves time and increases productivity. Yet, it also reduces face-to-face communication and causes distraction.

1. Choose the main idea of the text:

- a) Technology makes people smarter.
- b) Technology has both positive and negative effects.
- c) Technology should be banned.

2. Drag and drop (in Liveworksheets):

Positive effects	Negative effects
■ Improves learning	■ Causes distraction
■ Connects people	■ Reduces social interaction

■ 3. Do you think technology helps people more than it harms them? Why or why not?

■ Part 2: Vocabulary in Context

Match each word with its meaning:

- 1 ■ ■ **Addicted** → ■ unable to stop using something
- 2 ■ ■ **Productivity** → ■ the ability to produce or work effectively
- 3 ■ ■ **Interaction** → ■ communication or contact between people

✍️ ■ Part 3: Writing & Creativity

Imagine you are a teacher who wants to help students use technology wisely.

Write 3 creative ideas:

- 1 ■ ■ _____
- 2 ■ ■ _____
- 3 ■ ■ _____

■ Part 4: Reflection

- What new idea did you learn today?
- How can you apply it in your real life?

Think critically and share your personal insights.
