Proofreading

The paragraph below has nine mistakes. Use the proofreading marks to fix each mistake. Then, write the misspelled **list words** correctly on the lines.

The best apple pies are made with the firmest apples, not with watery or mushy ones. making an apple pie will be easier if the Crust is prepared ahead of time. A top crust can be made fansier and prettyer with cutouts. Remember though—the more flour in a crust or the longer you work with the crust, the heaver and tougher it will be. tough crusts make cooks the angriest. Flaky crusts make cooks—and pie-eaters—happyer.
