

Title: Meet These International Students!

Read the following short texts about students from different countries.

1. This is Hana.

She is from Japan.

Hana is 20 years old. She is an environmental science student.

Her university is in Canada.

This country is very big and cold.

Hana likes the mountains and the forests.

She has many friends in her class. They are from different countries.

2. This is Diego.

He is from Mexico.

He is a computer engineering student in Germany.

Berlin is a modern city.

These classes are very interesting, but also difficult.

Diego likes his teachers and his new friends.

He says, "I am happy here!"

3. This is Aisha.

She is from Kenya.

Aisha is a business student in Australia.

She works in a café after class.

Those customers are friendly.

Her classmates are from China, Brazil, and Spain.

Aisha loves these experiences in her new life.
