Hi Dae-Jung,

We need to plan the company activity day on 23 March. What does everyone like do? I know that Yana hates go to parties and Marcus doesn't like do sport. I enjoy play games outside, but the weather isn't always good at that time of year.

Maybe we could do something inside? James loves cook, so how about a cooking lesson for the team? I think cook is all right, and Aisha likes it, too. Can you ask the rest of the team? I want us to do something that everyone can enjoy.

Thanks,

Holly
