Yesterday my sister did somthing funny. She got up very late, at six. She ran fast to the bathroom. She thought she would be late for distance leaning. She took a very quick bath, got dressed, and prepared her books and her laptop. She did not have breakfast. She sat at a chair with her laptop were ready to have zoom meeting.

She was angry with my mom because my mom didn't wake her up. She sat silenttly for a while. After quater, she looked at the clock and checked the connection. It was a quarter to eight. She started to be restless. She wondered why the teacher didn't give a lesson. Finally she called her friend. Then I heard a laughter on the phone. Her friend said. "wake up girl ... wake up ... this is Sunday, right?"

Then my parents and I laughed at her too. She looked so annoyed.
