V. Read the following passage about cultural diversity in the UK and mark the letter A, B, C or D to indicate the option that best fits each of the numbered blanks.

Embracing Diversity: The Heart of the UK

The United Kingdom stands as a beacon of cultural richness, where diverse traditions, languages, and customs intertwine to shape its identity. With open arms, the nation welcomes immigrants, fostering a vibrant tapestry of cultural exchange (1) _____.

(2) _____ lies immigration – a force that has profoundly influenced the United Kingdom's social and cultural evolution. (3) _____ This dynamic blend of influences has helped create a society enriched by varied perspectives, ideas, and customs, which enhance the nation's resilience and adaptability.

In the words of Winston Churchill, the United Kingdom finds itself entwined with Europe yet remains steadfast in preserving its distinct identity. This sentiment underscores the importance of embracing diverse cultures while upholding the essence of British heritage. (4) _____

As we navigate the complexities of a globalised world, let us celebrate the myriad cultures that contribute to the vibrant mosaic of the United Kingdom. By continuing to embrace this diversity, the UK not only strengthens its own society but also stands (5) _____. Through this unity, the UK continues to shape a future

that is welcoming, inclusive, and resilient.

- who highlight the diversity of the nation's heritage
 - where communities experience cultural exchange
 - that it contributes to enriching the country's cultural identity
 - which strengthens the country's unique cultural identity
- At the core of this multicultural landscape
 - Central to this vibrant exchange of traditions
 - At the centre of British identity and heritage
 - In the spirit of unity and diversity
- The UK has become a place where diverse communities connect and contribute in meaningful ways.
 - British culture has evolved to include a vast range of traditions and practices, shaping its distinct identity.
 - From food to music, immigrant communities have enriched every aspect of life in the UK.
 - Immigration has introduced new languages, customs, and ideas, which are woven into the nation's cultural fabric.
- However, some argue that multiculturalism has gone too far and threatens social cohesion.
 - Therefore, the UK should close its borders and restrict immigration to protect its culture.
 - This balance between openness and preservation is crucial for a harmonious and inclusive society.
 - It is important to remember that all cultures are equal and should be treated with the same respect.
- as a reminder of its deep historical roots
 - as an emblem of resilience and cultural pride
 - as a global example of inclusivity and respect
 - as an advocate for diversity and unity

VI. Read the following passage about multiculturalism in the United States and mark the letter A, B, C, or D to indicate the best answer to each of the following questions.

The United States, often described as a “melting pot”, has been greatly influenced by multiculturalism. This has led to a diverse mix of ethnicities, cultures, and religions that have shaped the country's identity and path. The impact of multiculturalism on the USA is extensive and varied, affecting different aspects of society, the economy, and culture.

One of the most significant impacts of multiculturalism is the enrichment of American culture. The blending of traditions, languages, cuisines, and customs from different parts of the world has created a unique and vibrant cultural tapestry. This diversity is celebrated through festivals, parades, and cultural events nationwide, showcasing the contributions of various ethnic groups to the American mosaic.

Multiculturalism has also played a crucial role in shaping American values and ideals, such as freedom, equality, and opportunity. Immigrants have long been attracted to the USA in search of a better life, bringing with them dreams, aspirations, and a strong work ethic. **This influx of diverse perspectives and experiences has enriched the American spirit, driving innovation, entrepreneurship, and social progress.**

Economically, multiculturalism has been a driving force behind the USA's prosperity and dynamism. Immigrant communities have made significant contributions to various sectors of the economy, including technology, finance, healthcare, and the arts. The diversity of talent and expertise in the workforce has fueled innovation, creativity, and competitiveness, making the USA a global leader in many industries.

In conclusion, the impact of multiculturalism on the USA is profound and enduring, shaping its culture, identity, and economy. Embracing diversity is crucial for fostering a more inclusive, equitable, and prosperous society where individuals from all backgrounds can thrive and contribute to American life.

- Which of the following is NOT mentioned as a way multiculturalism has influenced the United States?
 - Education.
 - Cuisine.
 - Religion.
 - Festivals.
- The word “This” in the first paragraph refers to _____.
 - American culture
 - the USA
 - multiculturalism
 - identity
- The word “vibrant” in paragraph 2 is OPPOSITE in meaning to _____.
 - dull
 - colourful
 - energetic
 - dynamic
- The word “aspirations” in the third paragraph is closest in meaning to _____.
 - skills
 - challenges
 - experiences
 - hopes
- Which of the following best paraphrases the underlined sentence in paragraph 3?
 - The arrival of diverse communities has helped inspire creativity and growth in American society.
 - Newcomers have influenced American society by maintaining their own customs and beliefs.
 - The USA's cultural development has slowed down due to a lack of diversity and inclusion.
 - The flow of immigrants has contributed economic value and increased wealth in the USA.

6. Which of the following might be TRUE about the future of multiculturalism in the USA?
- A. It will continue to shape and enrich American society.
 - B. It will become less significant over time.
 - C. It will lead to social division and unrest.
 - D. It will cause cultural assimilation and uniformity.
7. In which paragraph does the writer introduce the economic contributions of multiculturalism?
- A. Paragraph 3
 - B. Paragraph 1
 - C. Paragraph 5
 - D. Paragraph 4
8. In which paragraph does the writer discuss the cultural impact of multiculturalism?
- A. Paragraph 1
 - B. Paragraph 3
 - C. Paragraph 4
 - D. Paragraph 2

VII. Read the following passage about clothing customs in Turkey and the United States. Mark the letter A, B, C, or D to indicate the best answer to each of the following questions.

In recent years, it has dawned on universities worldwide that they can gain a great deal by embracing cultural diversity within their student bodies and faculty. One of the primary drivers of this trend is the internationalisation of higher education. Universities are going all out to expand their reach beyond national borders, recruiting students and faculty from various countries and backgrounds. The push for this is based on the belief that **this** not only brings different cultural perspectives to campuses but also facilitates the exchange of ideas and practices across borders. Moreover, the benefits of cultural diversity in higher education extend beyond the academic realm. Students exposed to diverse cultures develop enhanced communication skills, greater empathy, and a more **nuanced** understanding of global issues, skills that employers increasingly value in a world where cross-border collaboration is becoming the norm.

However, creating a truly culturally inclusive environment is easier said than done. One of the primary challenges is the language barrier. No matter how linguistically prepared they are, international students often struggle with academic content delivered in a language that is not their mother tongue. **[I]** This can lead to feelings of isolation and academic underperformance. This is also true when it comes to adapting to a new culture. **[II]** Students from different cultural backgrounds may find it challenging to adapt to new social norms, educational practices, and lifestyle changes. This culture shock can affect their academic performance and overall well-being. **[III]** Despite best intentions, faculty, staff, and domestic students may harbour certain stereotypes that can negatively impact the experiences of students from foreign backgrounds. **[IV]**

As the world becomes more interconnected, the importance of cultural diversity in higher education is likely to grow. Universities that successfully cultivate diverse and inclusive environments will be better positioned to prepare students for the complexities of the global marketplace and to contribute to cross-cultural understanding on a global scale. But it's clear that **fostering** cultural diversity requires a multifaceted approach. Successful strategies often involve a combination of targeted support services, institutional policy changes, and a commitment to creating an inclusive campus culture. By addressing these challenges head-on, higher education institutions can harness the full potential of cultural diversity, preparing students to thrive in an increasingly interconnected global society.

(Adapted from <https://www.ielts.net/cultural-diversity-in-global-higher-education/>)

1. What does the word "**this**" in paragraph 1 refer to _____?
 - A. the culture of international universities
 - B. the recognised value of cultural diversity
 - C. the global expansion of universities
 - D. the trend of universities going international
2. What is the word "**nuanced**" in paragraph 1 CLOSEST in meaning to _____?
 - A. sophisticated
 - B. ambiguous
 - C. straightforward
 - D. mysterious
3. What is NOT mentioned as the benefit that universities can enjoy when embracing cultural diversity?
 - A. They can equip their students with abilities that greatly boost their employability.
 - B. They can open new campuses overseas and recruit more students and faculty.
 - C. They can create a more diverse and richer academic environment for students.
 - D. They can improve their quality based on innovative practices.
4. Which of the following is TRUE according to paragraph 2?
 - A. Even the most prepared international students can come up against problems in a new environment.
 - B. Students with a strong command of a foreign language are not likely to suffer any language barrier.
 - C. Culture shock can be avoided by learning as much as possible about the destination country.
 - D. Universities find it easier to talk about building a culturally inclusive environment than actually do it.

5. What can be inferred about the stereotypes against international students?
- They are often formed and expressed unknowingly.
 - They are hard to perceive as most of them are implicit.
 - They are too complex to be completely eliminated.
 - They are intentionally committed in most cases.
6. Where in paragraph 2 would the following sentence best fit?
Implicit biases present another complex challenge.
- [I]
 - [II]
 - [III]
 - [IV]
7. Which of the following best paraphrases the underlined sentence in paragraph 3?
- The importance of cultural diversity is likely to grow as a result of higher education institutions becoming more interconnected.
 - Higher education institutions are likely to become more and more important as cultural diversity makes the world more interconnected.
 - An increasingly interconnected world means higher education institutions will likely put cultural diversity higher on their agenda.
 - Higher education is going to play a more important role in promoting cultural diversity as the world becomes more interconnected.
8. What is the word “**fostering**” in paragraph 3 OPPOSITE in meaning to ____?
- preventing
 - enriching
 - nurturing
 - distracting
9. Which of the following best summarises paragraph 3?
- Various challenges need overcoming if cultural diversity is to be fully embraced by universities.
 - Being linguistically prepared is not enough for international students to succeed in a new environment.
 - Culture shock happens to international students who refuse to adapt to the new cultural norms.
 - International students have to face a lot of hidden biases and prejudices when studying abroad.
10. Which of the following best summarises the passage?
- Despite success in internationalisation, universities fail to create a truly culturally inclusive environment, but they are starting to realise the benefits of cultural diversity.
 - The challenge of embracing cultural diversity is preventing universities from going international as the disadvantages outweigh the potential benefits.
 - As universities push for cultural inclusivity in pursuit of international prestige, they will have to overcome a range of challenges; but the benefits might be worth it.
 - Cultural inclusivity promises huge benefits for both universities and their students, but achieving this goal is not easy due to biases and stereotypes.
