Getting along with others

WHAT CAN YOU REMEMBER?

- 1 Look at the picture. Why is Leo not there? Where is he?

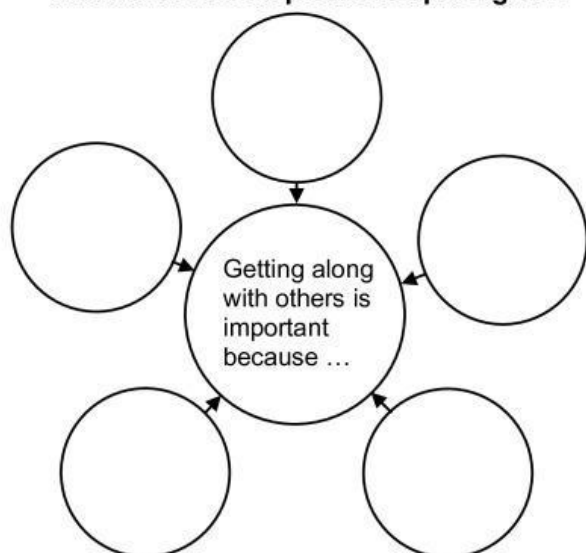

- 2 Work in pairs. Leo and his sister don't get along. Choose four things Leo does to annoy her.

doesn't like her cat | plays music too loudly
takes her money | talks to her friends
teases her | tells Mum about her

GIVE IT A GO

- 3 Why do you think it's important to get along with others? Complete the spidergram.

- 4 Compare your spidergram with a partner. How many reasons are the same? How many are different?

- 5 Work in pairs and read about Camilla's situation. Answer the questions.

Camilla is one year older than her brother. Last year, their parents took them on holiday to Paris for a week. Camilla and her brother argued all the time. They argued about what they wanted to do and what they wanted to see. This year their parents have decided they are going to stay at home.

- Why do you think Camilla's parents have decided not to go away for a holiday this year?

- Why do you think Camilla and her brother argued so much?

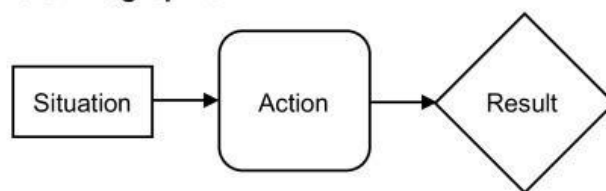

- What was the result of their arguing?

- What could Camilla and her brother have done to make the holiday more enjoyable for everyone?

- How do you think they could have got along better?

KEEP IT UP

- 6 Over the next week, make a note of when you find it difficult to get along with someone. Explain how you found a solution. Complete the infographic.

- 7 Use your infographic to share your experience with a partner.
