

Animal's Diet

Read the descriptions and identify the animals name using the help box:

1

I have a long neck.
I eat grass, fruits, leaves
and twigs.

2

I hibernate in winter.
I eat berries, shoots, fruits, nuts,
seeds, roots and bulbs from trees.
Sometimes I eat bees and fish.
But honey is my favourite food.

3

I am the king of the jungle.
I eat large animals like deer,
zebras and buffaloes.

4

I live in Antarctica.
I eat krill, squids and fish.

HELP BOX

Giraffe, Lion, Penguin, Bear, Parrot

KNOW MORE

An elephant can use its tusks to dig for groundwater. An adult elephant needs to drink around 210 litres of water a day.

5

I have a strong, curved
beak. I eat seeds, green
chilli and fruits.
