Dear Martha,

I'm your new e-pal, Rosa. I live in a beautiful house in the country. There's a big castle near my house. It looks like a palace. The view from its tower is great. I sometimes go there with my friends after school.

At the weekends, I usually visit my cousins. They live in the city. We all like animals very much, so we often go to the zoo. We sometimes visit different museums or art galleries. My aunt is an art fan so she likes going to these places. I like the city, but the country is my favourite place in the world.

What about you? Do you live in the country or in the city?

Best wishes,

Rosa
