Little did I , the of us
 Little I , I'd so to but no to
 Little did I , I'd you with at the we used to
 Little did I , you have a that I'd

And I'm through
 Searching for to you me
 But no I
 There's holding

Little did I know, you knew me
Little did I know, you knew every part of me
Now I've lost all our
There's no one to love and
No one what I do
A stranger's love be yours
Now I'm missing all the love I'd
The love I didn't
After all we've
I know, you're not a
You're not a
The love was yours
