July 30

As I was climbing around the boalders, my yelloe camera strap became wedged between two rocks. I was trying to pull itout when I noticed the opening to a passage. Thorohly intrigued, I called to my parents. althow the boulder was large, we were able to move it together. the hole was just wide enough formy showelders to pass through. It led to a small cave, and when I tiptoad farther inside I saw the jars that held the ancient scrolls.
