5 Complete the text with the correct form of the verbs related to milestones.

When I was younger, I didn't want to ¹ get married or ² have children but I changed my mind after I ³ fell in love with Sari. I had just ⁴ graduated from university when I met her in a café. Six months later we ⁵ became engaged and ⁶ started travelling around the Middle East together. It was a fantastic experience and when we returned, we got married immediately. We were both very interested in the environment and so we ⁷ started a business which helps people to save electricity and lower their bills. We ⁸ won an award for protecting the environment in our first year. That same year, Adinda was born, and then two years later, her brother Calvin. We ⁹ moved house soon after because my father changed his job. Now, Adinda is old enough to ¹⁰ leave home. I can't believe how quickly time flies!
