Hello everyone!

My friends and I have decided to make a movie for the movie festival. We need a **director / animator** (someone to give the instructions), a **composer / scriptwriter** (someone to write the words), a **sound engineer / camera operator** (someone to help **present / record** the music) – and a lot more people to help with other things.

When the movie is ready, we will **post / go** it online for everyone to see. And of course, we will **credit / sell** everyone who has taken part in making it.

Email me if you're interested!

Last year, I went behind the **2** _____ at a movie studio. I used my own video camera to **3** _____ everyone working there. I also **4** _____ them – I had a lot of questions to ask!

My friend Tyra is very good at making clothes, so she could be the **5** _____ designer if you need one. And another friend of mine, Jon, writes a lot of his own music. I'm sure he could be the **6** _____ and create some original music.
