Sally was going to **plant** seeds in the garden that day with her grandfather, a great farmer. They decided to set the garden up and plant some **(1)** there. Sally's grandfather had brought a square shovel with a long handle from the **(2)** . He used it to mix the dirt to make it smooth so that plants and vegetables could **(3)** "Sally, please help me put the seeds into the **(4)** ," Sally's grandfather told her when he finished mixing the dirt. "OK, Grandpa," Sally ran into the garden with a bag of vegetable seeds. She sprinkled a couple of seeds into the small **(5)** that her grandfather had made. Her grandfather then covered the seeds with some dirty and started to water the seeds. "After a few weeks, this garden will be covered by green vegetables, Sally," said her grandfather."That's great. I can't wait, Grandpa," said Sally.

(6) Now choose the best name for the story:

Write a letter:

A. Grandpa's garden

B. Sally's dream job

C. Sally's garden day
