Sally was going to **plant** seeds in the garden that day with her grandfather, a great farmer. They decided to set the garden up and plant some **(1)**

there. Sally's grandfather had brought a square shovel with a long handle from the **(2)**

. He used it to mix the dirt to make it smooth so that plants and vegetables could **(3)**

"Sally, please help me put the seeds into the **(4)**

," Sally's grandfather told her

when he finished mixing the dirt. "OK, Grandpa," Sally ran into the garden with a bag of vegetable seeds. She sprinkled a couple of seeds into the small **(5)**

that her grandfather had made. Her grandfather then covered the seeds with some dirt and started to water the seeds. "After a few weeks, this garden will be covered by green vegetables, Sally," said her grandfather. "That's great. I can't wait, Grandpa," said Sally.

**(6)** Now choose the best name for the story:

Write a letter:

- A. Grandpa's garden
- B. Sally's dream job
- C. Sally's garden day
