

School Rules

Everyone **knows** my class is cool
because we know all the rules in school.
We must behave in class every day,
we follow the rules as we work and play.
Here is a rule, the most important of all,
we must respect everyone, both big or small.
We must be kind and treat everyone with care,
taking turns is important and we always share.
We must listen to our teacher with both ears,
our voices must be quiet so others can hear.
We must raise our hand to talk, we must not interrupt,
then we must use a speaking voice, never a shout.
When it's the break and we have to go,
we must line up and walk in a quiet row.
Everyone knows my class is cool,
Because we all follow all the rules in school.
