## Reading

6 Read the posts about cultural activities and match people A–D with questions 1–5. Some people match more than one question.

**A** I want to be an actor. We have a play every year in school, and I act on stage with my friends. We aren't very good, but we have fun. We send the videos to our friends and family. We sometimes watch them at parties.

**B** I love writing. I want to write novels when I leave school. I write short stories at the moment, and I sometimes read them to my class in school. I post them on my blog, and I'm happy when people tell me how good they are. I want to be a writer when I'm older, like Mum and Dad.

**C** I'm not very creative, but I'm into music. I listen to different types of music and watch music videos on my phone. I often write reviews of new songs and clips for my music blog. My parents don't listen to a lot of music, but they read my blog. I want to work for a music magazine or a radio station, but I'm not sure.

**D** I really like art, but I don't paint pictures. I use my laptop to make pictures. I think they look great! My art teacher shows me how to change the pictures. I put them on my website. I want to know what people think about them.
