Read this postcard from Rowena and answer all the questions.

Dear Jolanta,

I am staying at my grandfather's house in the mountains. It is small but very comfortable. We can see the mountains from the window. Yesterday it rained but today it isn't raining and is sunny. My brother Julian likes snowboarding but I don't like it. It's fast and scary! When he is snowboarding, I go skating. Yesterday, Julian fell and hurt his shoulder, but he feels better today.

My grandfather is a waiter, and he works in a small café. In the afternoon, we sit at a table near the window. Julian usually has a coffee and I choose a hot chocolate every time. We're having a great holiday!

From Rowena
