

Luna's Special Morning

Luna is a small, white cat who lives in a yellow house with her friend Tom.

One sunny morning, Luna wakes up very early. She looks out the window and sees many birds in the garden. The birds are singing, and Luna feels very happy.

After breakfast, Luna decides to go outside. She takes her favorite red ball and plays under a big tree. She runs, jumps, and chases the ball across the green grass. Tom comes outside too, and they play together for a long time.

Later, Luna sits on her soft pillow because she feels a little tired. She watches the clouds in the sky and listens to the birds again. Luna loves mornings like this. She feels lucky to have a warm home, a beautiful garden, and a good friend to play with.
