### A BEAUTIFUL DAY IN JOGJA

Last month, my family and I spent a wonderful weekend in Jogja. It was our first time visiting the city together, and we were very excited. We stayed at a small hotel near Malioboro Street, so it was easy for us to explore many interesting places.

On the first morning, we walked along Malioboro and enjoyed the lively atmosphere. We saw many shops selling traditional clothes, souvenirs, and delicious street food. After that, we visited the Sultan's Palace, where we learned about Javanese culture and history. In the afternoon, we went to Parangtritis Beach. The wind was strong, and the waves were big, but we had so much fun taking pictures and playing in the sand. Before going back to the hotel, we tasted gudeg, a famous dish from Jogja, and it was really delicious.

Our trip to Jogja was unforgettable. We experienced many new things and made great memories together. I hope I can visit Jogja again in the future because it is truly a beautiful and enjoyable city.
