***This text is for questions 8 and 9.***

Mr. Edi : Tono, does your mother always cook for your breakfast?  
Tono : Not always, Sir. But she likes cooking better than buying at the restaurant.  
Mr. Edi : Why does she prefer doing that?  
Tono : She said that it saves money to cook herself. Besides, we have healthier ingredients.  
Mr. Edi : What a nice idea! What about your mother, Tini?  
Tini : Well, my mother does the different thing.  
Mr. Edi : Really? What would she rather have for breakfast?  
Tini : She would rather buy at the restaurant than cook. Sometimes, she buys online foods, too.  
Mr. Edi : Good. Why?  
Tini : My mother doesn't have time and it is also practical to buy.

8. There are 32 students in Mr. Edi's class. Seven of the students' mothers do the same thing as Tini's mother and twenty-three mothers like doing as Tono's mother does.
- What is the percentage of the students whose mothers like cooking at home better than buying outside?
- A. 75%
  - B. 50%
  - C. 23%
  - D. 8%

9. A plate of fried rice costs Rp. 15.000,-. When Tono's mother makes a plate of fried rice, she just spends Rp. 5.000,-. That's why she prefers making fried rice to buying it outside. She will save her money by doing that.

How much money will she save if she makes four plates of fried rice for her family?

- A. Rp. 5.000,-
- B. Rp. 15.000,-
- C. Rp. 20.000,-
- D. Rp. 40.000,-

10. When I go out to eat, I want to have a nice conversation. I don't like to be disturbed. That's why I prefer quiet places. I hate those loud, trendy places. They play loud music in the background, and they're full of loud people. You have to shout so the person you're with can hear you. It's really annoying!

The followings are the places the writer likes better, except . . .

- A. a comfortable and silent cafe.
- B. a nice and quiet library.
- C. a cafe with loud musics.
- D. a quiet resto with slow music.
