**Rizky's Journey Through Bad and Good Days**

Last Monday was one of the most challenging days I have ever experienced. Everything seemed to go wrong from the very start of the day, making me feel frustrated and exhausted.

First, I missed my bus by just seconds, which made me walk to school under heavy rain without any protection. Then, I accidentally spilled coffee on my school uniform, causing embarrassment throughout the day. My lessons were unusually difficult, and as if that weren't enough, I realized I had forgotten my homework at home. Each moment of the day seemed to bring a new problem.

Fortunately, the next Saturday was a complete turnaround. I spent a pleasant day with close friends at the park, enjoying games, laughter, and delicious snacks. This joyful experience reminded me that bad days are temporary and good days help us appreciate life more fully. In the afternoon, I spent some quiet time reading my favorite book. It was a relaxing way to end the day before dinner. Overall, I had a great day filled with fun and good moments.
