

## READING TEXT

### How to Make a Simple Sandwich

Making a simple sandwich is very easy.  
First, prepare two slices of fresh bread.  
Next, spread butter on both slices.  
Then, add a few pieces of lettuce.  
After that, put some tomato slices and cheese on top.  
Finally, close the sandwich with the other slice of bread and cut it in half.  
Your simple sandwich is ready to serve!

## A. Vocabulary Matching

Tulis huruf yang benar (a–e).

Bread → [[ ]]  
Spread → [[ ]]  
Slice → [[ ]]  
Serve → [[ ]]  
Lettuce → [[ ]]
