Name: _____course:_____

Exploring Medellín with Juan and Luisa

Once upon a time, in the beautiful city of Medellín, there lived two curious second graders named Juan and Luisa. They are eight years old and feel excited to explore their city and discover its wonders. Their adventure takes them to several places, each showing them a different side of Medellín. They learn about art, the environment, and the importance of helping others. Through their journey, Juan and Luisa discover both the beauty and the challenges of their city, realizing that small acts of kindness can make a big difference.
