Why does the writer use an imperative sentence?
a) To ask a question
b) To give instruction to the reader
c) To express disappointment
d) To describe something
e) To offer help

11. Text:
To make a cup of hot chocolate, first boil some water. Then, put two spoons of chocolate powder into a cup. After that, pour the hot water into the cup and stir well. Finally, add some milk if you like.

Question:
What is the writer's purpose in the text above?
a) To describe the ingredients
b) To tell how to make hot chocolate
c) To compare two kinds of drinks

LIVEWORKSHEETS

d) To warn the readers about hot water
e) To explain what hot chocolate tastes like

12. Text:
*How to Turn On a Laptop:

1. Plug the charger into the power port.
2. Open the laptop lid.
3. Press the power button.
4. Wait until the system loads completely.*

Question:
What should you do after opening the laptop lid?
a) Plug the charger
b) Press the power button
c) Close the lid again
d) Install new software
e) Wait for the system to load

13. Text:
How to Make Fried Rice:
Heat some oil in a pan, then add garlic and onion. Next, put the rice into the pan and stir it well. Add soy sauce, salt, and pepper. Finally, cook it for three minutes and serve it hot.

Question:
What is the last step of making fried rice?
a) Add the garlic and onion
b) Stir the rice well
c) Heat the oil in the pan
d) Serve it hot
e) Add soy sauce and salt

14. Text:
How to Use a Blender:
First, prepare the ingredients you want to blend. Then, put them inside the blender jar. Next, close the lid tightly. After that, press the "ON" button and choose the desired speed.

Question:
Why should you close the lid tightly?
a) To make the blender quieter
b) To keep the ingredients inside the jar
c) To add more ingredients easily

LIVEWORKSHEETS

d) To blend the ingredients faster
e) To turn the blender on

15. Text:
How to Water Plants Properly:
Water the plants early in the morning. Use enough water to moisten the soil, but don't flood it. Make sure to water the base of the plant, not the leaves, to keep them healthy.

Question:
What is the best time recommended for watering plants?
a) In the afternoon
b) At midnight
c) In the early morning
d) Before sleeping
e) Anytime you want

16. Text:
Online learning should be applied more widely in schools because it allows students to access materials anytime and anywhere. It also helps students review lessons at their own pace, which increases understanding.

Question:
What is the writer's argument in the text?
a) Online learning makes students bored
b) Online learning should be used more in schools
c) Students should reduce online activities
d) Schools must limit digital access
e) Teachers should teach without technology

17. Text:
School uniforms should be required because they create equality among students. When everyone wears the same outfit, social and economic differences become less visible.

Question:
What is the main reason the writer supports school uniforms?
a) Uniforms make students more fashionable
b) Uniforms help show students' social status
c) Uniforms reduce visible differences among students
d) Uniforms make school more expensive
e) Uniforms allow students to express creativity

18. Text:
Public parks are essential in urban areas because they provide a place for relaxation and physical activities. They also improve air quality by adding more trees and plants.

LIVEWORKSHEETS

Question:
What is one benefit of public parks mentioned in the text?
a) They increase traffic in urban areas
b) They reduce people's need for exercise
c) They improve air quality
d) They limit community activities
e) They make cities more crowded

19. Text:
Using bicycles for short-distance travel should be encouraged because it reduces pollution. Bicycles do not release harmful gases, making them a more environmentally friendly transportation option.

Question:
What is the writer's main reason for supporting bicycle use?
a) Bicycles are more expensive
b) Bicycles reduce pollution
c) Bicycles increase traffic
d) Bicycles are faster than cars
e) Bicycles require no physical effort

20. Text:
Reading books regularly is important because it improves vocabulary and strengthens critical thinking skills. Students who read often tend to perform better academically.

Question:
What does the text say about students who read often?
a) They have weaker critical thinking skills
b) They become easily stressed
c) They usually perform better in school
d) They prefer watching videos
e) They read only for entertainment

B. COMPLEX MULTIPLE CHOICE
Instruction : Choose more than one option for the correct answer

21. Text:
How to Operate a Fire Extinguisher (PASS Method)

1. **Pull** the safety pin to unlock the handle.
2. **Aim** the nozzle at the base of the fire, not the flames.

LIVEWORKSHEETS

3. **Squeeze** the handle to release the extinguishing agent.

4. **Sweep** the nozzle from side to side until the fire is completely out.
   Always make sure you stand at a safe distance and evacuate immediately if the fire gets bigger.

Question:
Which statements are **correct** based on the procedure?
a) You must squeeze the handle before aiming the nozzle.
b) The nozzle should be aimed at the base of the fire.
c) You should sweep the nozzle from side to side.
d) You must unlock the handle by pulling the pin first.
e) You should stand very close to the fire.

22. Text:
How to Send an Email:

1. Open your email application.

2. Click **"Compose"** to create a new message.

3. Type the recipient's address in the **"To"** field.

4. Write your subject clearly.

5. Type your message.

6. Click **"Send."**
   Before sending, make sure your message is polite and the recipient's address is correct.

Question:
Which steps are **necessary before clicking "Send"?**
a) Writing a clear subject
b) Checking the recipient's address

d) Attaching the rainfly
e) Leaving rocks under the tent for stability

26. Text:
Online reading platforms are highly beneficial for students because they offer unlimited access to books and articles. They also provide interactive features such as dictionaries, highlighting tools, and note-taking options that help students understand texts more effectively.

Question:
Which statements are supported by the text?
a) Online platforms offer unlimited reading materials
b) Students can use tools to help them understand texts
c) Online reading makes students dislike physical books
d) Online platforms limit students' reading activities
e) Interactive features support learning effectiveness

27. Text:
School assignments should include more critical thinking tasks. These tasks encourage students to analyze, evaluate, and create new ideas instead of memorizing facts. As a result, students become more independent learners prepared for real-world challenges.

Question:
Which statements reflect the writer's argument?
a) Critical thinking tasks help students analyze information
b) Memorizing facts is the main goal of education
c) Students become more independent through critical thinking
d) Critical thinking prepares students for future challenges
e) Students should avoid difficult assignments

28. Text:
Public speaking should be taught in all schools because it builds confidence and improves communication skills. Students who practice public speaking regularly are better at expressing their ideas clearly and persuasively.

Question:
Which points support the writer's position?

LIVEWORKSHEETS

a) Public speaking builds student confidence
b) It improves students' communication skills
c) Students become experts in debating automatically
d) It helps students express ideas clearly
e) Public speaking makes students afraid of performing

29. Text:
Using renewable energy is essential to protect the environment. Solar and wind power do not produce harmful emissions. Furthermore, renewable energy sources are sustainable and will not run out like fossil fuels.

Question:
Which statements are TRUE according to the text?
a) Renewable energy is environmentally friendly
b) Fossil fuels will last forever
c) Solar and wind power produce dangerous gases
d) Renewable energy is sustainable
e) Fossil fuels can run out in the future

30. Text:
Libraries should provide more digital services such as online catalogs, e-books, and virtual study rooms. These services make it easier for students to access information from anywhere and support modern learning styles.

Question:
Which ideas support the writer's standpoint?
a) Digital services allow students to access information easily
b) Libraries should remove printed books completely
c) Virtual study rooms support modern learning
d) Online catalogs help students find materials faster
e) Libraries should stop providing technology
