

# Daily Routines

My name is Daniel, and this is my daily routine.

I usually wake up at 6:30 in the morning. First, I brush my teeth and take a quick shower. After that, I have breakfast—usually eggs and toast. At 8:00, I leave home and walk to school. My classes start at 8:30. I study, talk to my friends, and sometimes we work on group projects. In the afternoon, I go back home and do my homework. In the evening, I relax, watch a series, and have dinner with my family. I usually go to bed at 10:30.
