

My First Day at the Grand Canyon!

Hello everyone! 🙌 Today is amazing! We are at the Grand Canyon in Arizona. It is huge! This place is a natural wonder—so deep and the colors of the rock are incredible!

I am a little nervous today. The canyon is so big and the edge looks scary! I am happy to stay far back from the railing, but Alice is so excited! She loves the beautiful colors. Kabir is funny—he is very tired from our five-hour car drive, and now he is also very hungry!

Our guide gave us some important rules and advice. It's important to listen to the guide for safety! He told us: "Wear good shoes! The path is very rocky. And remember: Don't run near the edge! It is dangerous!"

Alice also gave Kabir a command: "Don't sleep now, Kabir! Look at the view and take a photo of the sun!"

Now, after eating a big snack, Kabir is happy and not tired anymore. I feel safe now that we are standing on the main, big viewing platform. The USA is so much fun.
