Title : The Brave Little Deer

Once upon a time, there lived a little deer in a big forest. He was friendly and liked to help others.

One day, the deer heard a loud cry near the river. A rabbit was trapped between rocks and couldn't move.

The deer quickly ran to help. He pushed the rocks with all his strength, but the rocks didn't move. Suddenly, a wolf appeared and approached them.

The deer bravely stood in front of the rabbit. He kicked the wolf's leg and shouted loudly. The wolf was shocked and ran away.

Finally, the deer freed the rabbit and they both went home happily. The rabbit thanked the deer for his kindness and bravery.
