My \_\_\_\_\_ last night was very funny. I saw a big orange \_\_\_\_\_ that looked like a moving house. The truck was driving right next to a long, yellow \_\_\_\_\_. Suddenly, a playful \_\_\_\_\_ flew down and landed on top of the truck! It was holding a giant, empty \_\_\_\_\_. A friendly man opened the truck's \_\_\_\_\_ and started taking things out.

First, he took out some fresh \_\_\_\_\_, like grapes and pears. Then, he pulled out a picture \_\_\_\_\_—it was shiny and blue. Finally, he gave the dragon a box of hot, salty \_\_\_\_\_! The dragon was so happy it started to beat the drum and sing a loud song.
