*Read the following passage. For each of the statements, write T if it is TRUE, F if it is FALSE and NI if there is no information.*

### TOURISM PLAN

It is no surprise that Vietnam is one of the top three destinations for tourists to visit in South East Asia. Tourism contributes significantly to the money coming into the country as well as the effect it has on the environment and population. Considering that Vietnam is an attractive destination, the country is doing its best to stay competitive in an ever-growing market by developing and creating a plan for the year 2030. While doing this, they are still focusing on their sustainable development goals, not wanting to destroy or damage the environment that brings in so many new tourists. To do so, the focus is to effectively manage and use natural resources, protect the environment and biodiversity, and actively adapt to climate change while attracting new businesses and visitors to the country. One of the main goals that Vietnam wants to accomplish by the year 2030, is to have over fifty million international visitors. However, to achieve this, there are many areas that may need to grow to accommodate these tourists. As a result, the country wishes to create over eight million jobs to better accomplish its goals and workforce. With all the extra work and income, the country will be able to develop its infrastructure. The Vietnamese government also wants to support local businesses so that they can also develop to better provide for tourism.

14. Vietnam is one of the top three destinations in the world.
15. Vietnam's tourism plan hopes to be complete by 2040.
