Used to

Used to використовується, щоб говорити про минулі звички або дії, які більше не відбуваються. Ця форма однакова для всіх осіб, однини й множини. Після неї вживається інфінітив.

Наприклад: **Peter used to eat a lot of sweets. (= Пітер більше не їсть багато солодкого.)**

Питання та заперечення утворюємо за допомогою допоміжного дієслова did/did not (didn't), підмета та дієслова "use" без закінчення -d.

Наприклад: Did Peter use to eat many sweets?

Many didn't use to stay out late.

(= Багато хто раніше не залишався надовго гуляти.)

Ми можемо використовувати Past Simple замість "used to" без різниці в значенні.

Наприклад: She used to live in the countryside. = She lived in the countryside.

= Вона жила в сільській місцевості.
