My name is Daniela, and I live in Guarne, a small but beautiful town in Antioquia, Colombia. Every weekend, my family and I try to visit different places around our municipality. Last weekend was amazing! On Saturday morning, we visited La Brizuela Waterfall. It is about 30 minutes from the town center.

The weather was perfect — sunny but fresh. My brother and I took pictures, and my mom prepared sandwiches for everyone.

In the afternoon, we went to a small restaurant in Vereda Yolombal where we ate delicious trout and drank natural juice.

On Sunday, I helped my father clean the garden. Then, I met my friends at the Central Park. We talked about school, played football, and ate ice cream.
