

# RIVERSIDE'S FLOODS

A devastating situation is being suffered in Riverside Town, where a major flood hit the area after many days of \_\_\_\_\_.

Streets, parks, and entire neighborhoods are \_\_\_\_\_ water. Local authorities say this is the worst flooding the town has seen in years.

Witness:

It all started after many days of heavy rain. At first, people thought it would stop soon, but the water kept rising. Then the \_\_\_\_\_ suddenly overflowed, and everything happened very \_\_\_\_\_.

Reporter:

From here, we can see serious damage. Floods have \_\_\_\_\_ houses, cars, and even bridges. Many roads are blocked, and \_\_\_\_\_ teams are working nonstop to reach the affected areas.

Witness:

Yes, many families had to move to \_\_\_\_\_ ground because the water was coming too fast. Rescue teams helped people leave their \_\_\_\_\_, carrying children, pets, and bags with the few things they could save.

Reporter:

Authorities warn that \_\_\_\_\_ and clean \_\_\_\_\_ systems have stopped working. Experts say flood water is \_\_\_\_\_ because it may carry \_\_\_\_\_ and dangerous things, making the cleanup even harder.

Witness:

Now everything is covered in \_\_\_\_\_, trees are down, and cars are stuck everywhere. Cleaning will take a long time, but people are already working together to recover.
