TEXT A

Many teenagers today are quite busy, but they still try to keep some free time for their own (27) _____. After a long day at school, they usually do homework, help (28) _____ housework and then choose an activity they enjoy. Some students like playing team sports at the stadium or in the school yard. These games not only help them stay healthy and strong (29) _____ also make new friends. Other teenagers prefer quiet hobbies, such as reading adventure stories or drawing pictures in their bedroom. In the evening, many of them go online in the evening to watch short videos, listen to music or chat with classmates. However, parents often remind them to limit screen time and talk more with family members. Free time is important because it helps teenagers learn new (30) _____, for example cooking, playing the guitar or taking photos. When they plan their free time well, they feel more (31) _____ and confident before the next school day, so they can (32) _____ learning with a positive mind and sleep better at night.
