LIVEWORKSHEETS

**Exercise 4: Choose the best answer**

Anna and her brother, Tom, live in a small house with their parents. Anna's room is upstairs, and Tom's room is downstairs. Every morning, their mom prepares breakfast for the family, and their dad takes them to school. Tom loves riding his bike, but Anna prefers walking with her friends. After school, they go to their grandmother's house. Her house is big, with a beautiful garden. They play in the garden with their cousins every afternoon. Their grandmother always gives them cookies when they finish playing.

1. Who prepares breakfast for the family?

A. Tom B. their dad C. their mom D. Anna's grandmother

2. Where is Anna's room?

A. Next to Tom's room. B. Upstairs. C. In the garden D. Downstairs

3. How does Anna go to school?

A. She rides her bike B. She walks with her friends.

C. She takes the bus. D. She drives her car.

4. Where do Anna and Tom go after school?
