Royal Projects.....

His Early Life

- He was born on December 5, 1927, in the United States.
- His full name was very long, so people usually called him King Bhumibol or
- He spent much of his childhood and studied in Switzerland.

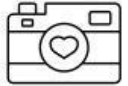

The People's King

- He became King in 1946 and was the longest-reigning monarch in Thai history, serving for 70 years.
- He loved the people of Thailand very much and traveled to many places across the country, even remote villages, to see their lives.
- He started many "....." to help farmers and poor people. These projects taught them better ways to farm, save water, and live happily.

His Talents

- He was a very talented person.
- He loved music and could play many, especially the saxophone. He even composed his own songs!
- He was also good at painting,, and engineering.

His Legacy

- King Bhumibol passed away on October 13, 2016.
- He is remembered for his hard work, kindness, and his of the Sufficiency Economy, which teaches people to live simply, be wise, and be resilient.
- Thai people still love and miss him very much.
