

What might have happened?

Read the text, then drag the missing sentences into the correct space.

Sonya went to a party with her friends last weekend, so she wasn't at home. When she got home she realized something had happened there. The microwave oven was on, so somebody (1) it. She heard some noise in the bathroom, so she was sure her mother (2) a shower in that moment. She was feeling thirsty, and she went to the kitchen. When she opened the fridge she realized all the drinks were gone! Probably her brother (3) all the juice and sodas she kept there. Then, she went to the backyard. There, she found out that the lawnmower was on. She also found her father's glasses on the grass, so her father (4) the machine on. When she came back to the living room, she saw two cigarettes in the ashtray, so she thought her brother and her father (5) inside the house just before she arrived.
