## Review

**Modal and related verbs** *have to, must, need to, be allowed to, can*

**PRACTICE 1** Read the email. Choose the correct verbs.

From: Elisa Cheng  
To: Stephen Halts  
Subject: Colombia trip

Hi Stephen

Here are some last-minute reminders about your trip to Colombia. You *have to* / *can* <sup>1</sup> get to the airport at least two hours before your flight. I've arranged for a taxi to pick you up at 7 a.m. so you *don't need to* / *mustn't* <sup>2</sup> worry about getting to the airport. But you *must* / *mustn't* <sup>3</sup> remember to set your alarm clock!

You are *allowed to* / *expected to* <sup>4</sup> take a maximum of 10 kg in luggage. I think it's OK, as you *mustn't* / *don't need to* <sup>5</sup> take all the conference papers with you because there'll be copies for you at the conference. However, you *need to* / *can't* <sup>6</sup> take a backup copy of your presentation with you, just in case.

You *can* / *need* <sup>7</sup> to check in online 24 hours before the flight if you want, but you *mustn't* / *don't have to* <sup>8</sup> if you don't want to. By the way, I'm sure you know this, but you *don't need to* / *are not allowed to* <sup>9</sup> smoke anywhere in the terminal building.

Have a good trip. And don't forget – you *must* / *mustn't* <sup>10</sup> bring me back some coffee!

Best  
Elisa
