

# PETER & THE WOLF

## LISTENING PART 5

Listen and choose the correct words.

Just then, the hunters came **out of** / **into** the woods, following the wolf's trail and shooting as they went. But Peter, **standing** / **sitting** in the tree, said: "Don't shoot! Birdie and I have already caught the wolf. Now help us **take** / **bring** him to the zoo."

And now, imagine the triumphant procession: Peter at the head; and winding up the procession, grandfather and the **bird** / **cat**.

Grandfather shook his **finger** / **head** discontentedly: "Well, and if Peter hadn't caught the wolf? **What** / **How** then?" Above them flew Birdie chirping merrily. "My, what **valiant** / **brave** fellows we are, Peter and I! Look what we have caught!"

And if one would **look** / **listen** very carefully, he could hear the duck quacking **outside** / **inside** the wolf; because the wolf in his hurry, had swallowed her alive.
