#### Jane's Food Blog

I'm from the UK and I love to go to food markets. My favourite market is called Borough Market and it's in London. You can buy all types of food in the market. I like to buy special types of cheese and fruits and vegetables from around the world. Today, on my shopping list, I have some special chillies from Mexico and some mushrooms from Italy. I also need some onions and some eggs to make an omelette. I haven't got any flour or any butter for pancakes. I need that, too! Do you like food markets?
