

All About Christmas

READING COMPREHENSION

Christmas is a special holiday celebrated in many countries around the world. It takes place on December 25th and is a time for families and friends to come together. Many people decorate their homes with lights, ornaments, and colorful wreaths. Children often wait for Santa Claus, who brings gifts during the night. Some families share a big meal, while others enjoy music, movies, or visiting loved ones. Christmas is also a moment to show kindness and help people in need. Whether through traditions, food, or time together, Christmas reminds people to celebrate love, joy, and generosity.
