

They were playing football	when he heard a strange noise.
I was walking to school	when the lights went off.
I was doing my homework	when the bell rang.
The teacher was talking	when it suddenly started to rain.
My brother was reading	when she cut her finger.
We were watching TV	when their mom called them inside
The children were running	when the ball hit the window.
She was cooking dinner	when someone knocked on the door.
