Describing my Family

1. Genitive Case ('s / ')

We use the genitive case to show possession and to describe family relationships.

Meaning: It answers the question "Whose…?"

How to form it:

- Noun + 's → for singular nouns

✓ she is Mary's mom

✓ he is my brother's friend

✓ it is my aunt's pet

- Plural nouns ending in -s → add only '

✓ it is my parents' bedroom

✓ they are my cousins' friends

✓ he is my sisters' boyfriend

2. Present Continuous – Family Actions

We use the present continuous to talk about actions happening **right now** or **these days.**

Structure: ***Subject + be (am/is/are) + verb + -ing***

Examples:

✓ My parents are cooking lunch right now.

✓ My brother is listening to music.

✓ My parents are talking.

✓ My sister is swimming in the sea

✓ My siblings are enjoying their vacation.
