- c. higher electricity prices

Task 3: Listen again and fill in the gaps.

MC: Welcome back. I'm here talking to Emma about the new (1)_____ power plants project.

Emma: Hello.

MC: So Emma, most people think the (2)_____ plant is a great thing. What do you think?

Emma: I don't think people know enough about it.

MC: Oh!

Emma: We have been told how it will reduce (3)_____ and reduce electricity prices, which is a great thing. But there's so much more.

MC: I see.

Emma: People need to know how long the (4)_____ is going to take.

MC: Okay.

Emma: It may reduce pollution, but when will it start to help? They also need to know how many jobs the project will create. There are lots of (5)_____ people in this area. Is the project going to create enough jobs for the local people?

MC: Yes, very interesting. What else?

Emma: They need to think about how the project will affect the roads and (6)_____. A lot of materials will need to be moved around the city. I worry it will create (7)_____. Will people be late for work? These things are important.

MC: Yes, they are.

Emma: And what about the dangers? We have all heard of nuclear power and no it can be (8)_____. Are we safe having this nuclear power station so close to us?

MC: Some very good points. That's all we have time for. Thanks for joining us, Emma.

Emma: Thank you.
