

Sandy and Mary are in the restaurant talking about their weekend.

**Sandy:** Last Saturday, I invited my friends to visit me. You know we usually meet at the shopping centre, but this time I was so tired, so we just stayed at home and watched a comedy film. **Mary:** But why were you so tired?

**Sandy:** Well, during the week, I have tennis practice and piano lessons but last week I had a science test, so I had to study a lot. **Mary:** Well, the best thing for me is to spend my free time at home surfing the net.

**Waiter:** I'm sorry for the delay, here you are. Anything else?

**Mary:** Could you give me the Wi-Fi password, please?

**Waiter:** Yes of course. You're welcome.

**Sandy:** But this way you don't hang out with your friends and you don't exercise.

**Mary:** You're right about exercising. But I often meet my friends on Facebook

**Sandy:** I think meeting face to face is better. Why don't you go with them next week?

**Mary:** You're right. I will ask them.
