FLYERS PRACTICE 27

My first day at school

Hello. My name's George. Last Monday I looked at my calendar. It was the 8th September and that was the day I started my new school. I got up and put on my new uniform. It felt strange. I put my special toy dinosaur in my pocket because it's my lucky toy! Mum gave me some cereal for breakfast but I couldn't eat it because I was excited, but also a bit worried. When I said 'goodbye' to my Mum, she gave me some pieces of chocolate for later. Then I started to walk to school. It was a long way. When I arrived at my new school, I stopped for a minute. Then, I decided I had to be brave, so I walked through the school gates. I was very early. It was only half past eight, but Harry was already in the playground and he was waiting for me. When I saw him, I felt a lot better.

We went into the classroom together and sat down at some desks. They were at the front of the classroom. Next the teacher came in. He was very friendly and told us how to do well at our new school. Then, he took us on a tour of the school. It's a very large school!

After that we had lessons, and at about midday we stopped to eat our lunch in the school restaurant. We had pizza with olives on it – my favourite! Then, after lunch, we went into the playground again. Some other boys in the playground had a football, and they were kicking it and having fun. Harry and I put our trainers on, then went over to them and asked if we could play too. Soon, other boys joined the game and we had two football teams. With my lucky dinosaur still in my pocket I scored two goals, and suddenly I was very popular with all the boys on my team! I was really happy about that. When I went back to class in the afternoon, I already had lots of new friends. Soon the first week of school will be over. I think I'll like it here!
