SECTION 2: Reading Comprehension

Read the text and answer the questions below.

In recent years, remote work has become increasingly popular, especially after major global events forced companies to rethink traditional office routines. Many employees report higher productivity and better work-life balance when working from home. However, remote work also presents challenges, such as communication difficulties, feelings of isolation, and blurred boundaries between professional and personal life.

While some companies have fully adopted remote work models, others prefer a hybrid system that combines office and home-based work. Experts believe that the future of work will depend on how organizations address these challenges while maintaining flexibility for employees.
