2. Úloha: Přečti si následující vyprávění o farmáři a doplň správné tvary názvů zvířat v angličtině podle kontextu.

I've got a lot of animals on my farm and I love them all dearly. _____ are the ones I love the most. They lay eggs, eat grain and that's it. No more work! I have a problem with my _____ though. His stomach is like a trash can that never fills! I am not going to lie however, when I see him rolling in mud, my heart softens, because he is just so adorable. My relationship with _____ is complicated. They just don't like me. Nevertheless they love my wife! They even let her ride on them. I've never had this luck with them, because every time I tried, they'd just stood up on their rear legs and knocked me down! Last but not least are the _____, they've got a problem with me! They form gaggles and to be honest, I am frightened whenever I see that army! They are armed with beaks, sharp teeth and are not afraid of anything!
